RE: Donation of Chicago Football Classic Tickets

The Chicago Police Department (CPD) is pleased to accept the donation of 478 tickets to the Chicago Football Classic on Saturday, September 14, 2019. The tickets will be disbursed to Chicago police districts so that the youth who participate in our programs and the escorting Youth Liaison Officers may attend. The department has facilitated 9 buses to transport the youth to and from the football game.

The Chicago Police Department remains grateful for your commitment in helping build strong relationships with our youth and continued encouragement in attending a historical black college.

Please continue to coordinate this effort with Deputy Chief Dwayne Betts who can be reached at (312) 550-6296 for any questions you may have.

Sincerely,

A handwritten signature in cursive script that reads "Eddie T. Johnson".

Eddie T. Johnson
Superintendent of Police
